Friday 16H-18H and Saturday 14H-18H

Skills transfer, communication, building regulations, organising in networks, funding, future projects: we are not lacking topics for discussion !

Under the guidance of the European organising committee and according to the inspiration, engagement and motivation of the people present, working groups will gather, choose a theme and define action steps at different levels.

Saturday 9th - Final plenary session, end of the afternoon - in ENGLISH

Under the At the end of the day, the work groups come together to discuss and agree what happens afterwards: Are we meeting again? Is there a network structure going forward? Has it been useful? Has anyone agreed anything?
